Mr. Reigel,

Over the past two, three years, Centennial Contractors has been a part of Flagstaff USD serving us in the capacity of Job Order Contracting. I would like to take a minute of your time to commend the crew working under the direction and leadership of Mr. Scott Reiner.

Professionalism and service to the owner is the standard this crew lives by. They always go the extra mile to assure the job is done right, done on time, and punch list free. Never have I worked with people such as these, and I have been around a long time.

A little over two years ago, Flagstaff USD decided to install an artificial turf at one of our elementary schools and I selected Centennial Contractors to run the show. Believe me, they did just that. Scott's team took ownership, did what they had to do, and kept a close look out for our interests. They brought the project in on time, punch list free. The field is beautiful.

The team consisted of Randall Ball, Dave Nixon, and Greg Solis under the direction of Scott. All the team performed wonderfully.

We have A+ schools in Flagstaff and you have an A+ team, also.

In closing, I just want to say I am looking forward to working with Centennial again.

Thank-you very much!

Sincerely,

Sheldon Cieslak
